

Year ONE – Orientation – August 28th, 2017

STEP 1: Determine if you are in **Orientation Group A** or **Orientation Group B**, based on your EDPR2000 Practicum Course *Section* found in PIMS. **To confirm your section go the Practicum Management Information System (PIMS) <https://practicum.edu.yorku.ca>.** Log on using your Passport York ID and password.

STEP 2: Check your Practicum Course Section on PIMS **before** you look at the list below. Your course code has TWO designators; the first is X-EDPR2000, Y-EDPR2000, Z-EDPR2000, EDPR2000C, or EDPR2000G. The second designation is at the end of the course code (X-EDPR2000-A, X-EDPR2000-B, EDPR2000C-A, EDPR2000G-A, etc.). When you are in PIMS select **View Practicum Placement Details** and you will see **Placement Information Study Level 1 – EDPR 2000**. Look at **Section** and you will see your Practicum Course section for EDPR and the name of the Practicum Facilitator. Some placements are still pending confirmation by school boards. Check PIMS regularly as confirmations are updated daily. ***It is important that you attend by section with your specified group. Attendance will be verified.***
